

Fellas fall short of glory...

Rockafellas FC impress friend and foe...

MZOXOLO BUDAZA

Rockafellas FC managed to equal last year's run when they reached the semi-finals of the Fulham under-18 Tournament of Hope, before going down 1-0 against Southampton, at the Portland sports complex, at the weekend.

Marksmen Kyle Rhode was the tournament's joint third highest goalscorer, having found the back of the net three times.

The side, the competition's third best team in 2015, qualified for the knockout stages of this year's competition after finishing second in Group G behind Athlone's Avendale Athletic, with four points, having won one drawing one and losing one of their three matches.

The group also had Bellville's Holy Cross and Stephanian Ottery, who finished third and fourth, respectively. The Rocklands-based outfit, which turns 20 this year, struggled in the early stages of the competition, losing 1-0 against Steps in their group opener before drawing 0-0 against Avendale.

The players could have, at this stage, easily pressed panic buttons but, to their credit, they bounced back to beat Holy Cross 5-2, and that was enough to see them book their spot in the last 16 against Observatory's FC Kapstadt.

That proved to be another tough encounter for the Rocklands side, which was made to sweat for their victory by the well-organised Kapstadt side.

In fact, the match ended in a 1-all draw with Fellas eventually winning 4-2 on penalties.

That win saw them setting up a quarter-final date with All Stars, whom they beat 2-1 to book a spot in their

second semi-final, this time against in form Southampton.

It took a single goal from the Parkwood side to kick Fellas out

of the tournament. Manager Adenaan Sunday said they tried to work on last year's mistakes but injuries, among other things, had

a big effect on their performance.
